Hi Samuele!

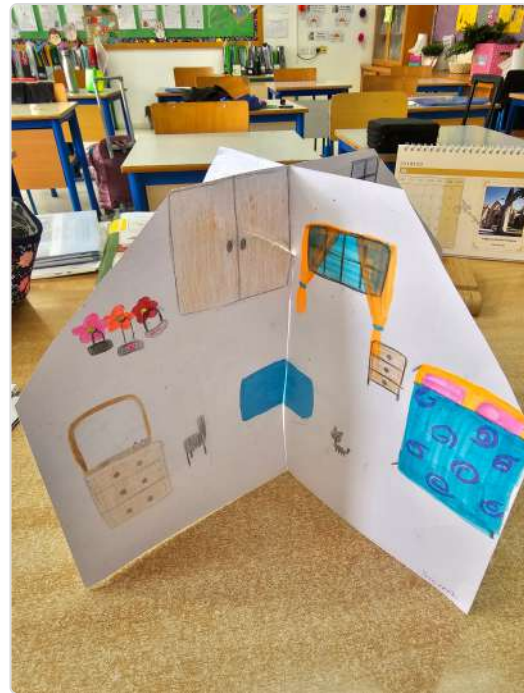

This is my house in Dali. It's a very cool house, but it doesn't have a pool. I live there with my mum, my dad and my sister. At the first floor there is a kitchen, a living room, a dining room, and a big garden. At the second floor there are 3 bedrooms, 1 office room, 1 bathroom, 1 WC and stairs. My bedroom has got a big office, a bookcase, 1 big bed, a cabinet and a place that I can put my toys, but it doesn't have a TV. On summer always me and my sister play outside and we go summer vacations. I like my house. It is perfect!
